

NW WDB Members,

The St Joseph Certification Review team, put together to conduct a comprehensive review of the St Joseph Job Center, has completed their review. This team consisted of Betty Wymore – St Joseph Adult Education Literacy Supervisor, Nshan Erganian – Goodwill Western Missouri and Eastern Kansas GoodWorks Manager, Sherry Hecker – Chillicothe Missouri Job Center Employer Services Representative, Bobby Barlow – Chillicothe Missouri Job Center Division of Workforce Development Supervisor and myself – NW WDB Equal Opportunity Officer.

On behalf of the St Joseph Certification Review team, I recommend the Board recognize the St Joseph Missouri Job Center as a Full Service One-Stop Missouri Job Center as outlined by the requirements in DWD Issuance 02-2016. The team makes this recommendation based on the Missouri Job Center Certification Review Form issued by the State of Missouri. This form can be made available to you by request from any NW WDB Staff Member.

Thank You,

6/6/17

Brent Stevens
