| 38 | The only issue with OJT is that I have to send candidates to the career center to apply for it before I can offer them the job. They tend to think they won't get the job if they don't qualify and it can be a negative experience. I wish there was a way for them to apply for OJT during the interview process on my site instead of having to go to the career center. | 2/15/2018 10:16 AM |
