

NORTHWEST MISSOURI

REGIONAL COUNCIL OF GOVERNMENTS

November 14, 2022

Workforce Development Board
912 Main Street
Trenton, MO 64683

Dear Mr. Brent Stevens:

This letter is in response to the written warning for Northwest Missouri Regional Council of Governments failure to meet the Dislocated Worker Credential Rate for the Program Year 2021.

There was only one person in the Dislocated Worker credential rate during that time frame, and that participant was not able to complete their training program in the allotted time frame. In Program Year 2022 Job Center staff have been working more closely with dislocated WIOA participants and already know that the credential performance rate is at 87.5%.

Please feel free to contact our office with any questions.

Respectfully,
